22.02 Full Council Background Paper

Agenda item 11iii: *Community Governance Review*

Members have previously discussed the possibility of increasing the number of councillors that sit on Ripley Parish Council. The mechanism for this to happen is via a Community Governance Review. With the next election due to take place in May 2023, now would be a good time to consider this in order to have any changes enacted then.

Attached is the National Association of Local Councils' broad-brush advice on the matter. Further information from Guildford Borough Council has been requested, at time of writing.
