The Minutes of the meetings held on Thursday 19th May 2022 were received, confirmed, and signed as a true and correct record by the Chairman.

In accordance with Ripley Parish Council Standing Order 10.1(f), Agenda item 11ii was brought forward.

030/22 PLANNING & ENVIRONMENT: NATIONAL HIGHWAYS M25 J10/A3 WISLEY INTERCHANGE

Jonathan Wade, Neil Watson, and James Lucini gave a presentation on the scheme to improve M25 J10 to the council. Following introductions, the agency provided information on its responsibilities and described the actions to be taken as part of the scheme. The undertaking would be a Nationally Significant Infrastructure Project, covering 12km of road, seven bridges, and the closure of ten access points onto the A3. Nineteen separate Requirements were being made in the Development Consent Order.

Works had begun to create the various compounds needed for the project. The Traffic Management Plan decreed that there would be no construction traffic allowed through Ripley, and this would be monitored through tracker devices. Any breach of this could result in loss of contracts. Works would take place between 0730-1800hrs on weekdays and 0800-1900hrs on Saturdays. Information events were being scheduled to take place at various locations affected by the scheme.

National Highways was clear that it intended Ripley to benefit from the scheme. Projects to install village gateways, puffin crossings, and speed tables and/or speed cushions would be statutorily entered to the

Secretary of State for approval. In addition, a Consultation on the addition of north-facing slip roads to the Burnt Common Interchange was scheduled to be held in autumn 2022.

Members thanked Jonathan, James, and Neil for taking the time to visit and make a presentation to the council. In addition to the installation of village gateways and traffic calming measures, the council requested the resurfacing of the Milk Road, and a relief road for Newark Lane. The addition of speed tables would require extra street lighting, and any such would need to be in keeping with the Conservation Area. It was also requested that social media or other means be employed during the construction works in order to let residents know the likely waiting times expected on a daily basis.

031/22 MATTERS ARISING (copy attached to record Minutes)

Members received and considered a list of matters arising from the Minutes of previous meetings. The parish council's insurance would not cover the Parish Day being arranged by Ripley Business Association.

It was RESOLVED: That the report be noted.

032/22 CHAIRMAN'S REPORT

Cllr Powell-Cullingford offered a report to the meeting. Cllr Ayears was thanked for his stewardship of the council as Chairman for the previous eighteen months. The recent Jubilee celebrations had been a success, and local residents Steve Hill and Stuart Shoesmith were thanked for their efforts. The council's year-end Internal Audit had not raised any concerns. Cllr Shoesmith was thanked for recent efforts in retrieving and checking the parish council's Christmas lights festoons. The strings would be stored at the Scout HQ, and quotes for installation sought.

It was RESOLVED: That the report be noted. Invitations to tender would be sent to Guildford Borough Council and other companies.

Ahead of the consideration of Planning Applications, the Chairman invited members of the public to speak. The owner of Rio House wished to address the council's concerns raised in its response to Planning Application ref 21/P/02486. The architect had accidentally added four new parking spaces to the application, and it was acknowledged that this was incorrect. The office space used to host twelve employees, however, and it was anticipated that the proposed scheme would result in fewer vehicles needing parking. The property would have been offered for let via Wills Smerdon and Right Move for a year in the coming June, with no interest. This would meet the obligation under Lovelace Neighbourhood Plan Policy LNPBE1.

Members thanked the owner of Rio House for the update.

Hi,

Giving feedback on your dog poo trial bags, I can say I found it useful when I had forgotten my bags. It has also been noticeable the increase in dog poo on the various paths since the trial has ended.

Thank you

Correspondence regarding Burial Ground

Hello

I went yesterday with my Nan to lay flowers on my great grandparents graveyard as we haven't been for a while. Absolutely disgusted with how the the older graves have been completely abandoned however where the more 'important' people lay to rest have had their grass mowed and the thistle's trimmed not overgrowing their place of rest! I have photo evidence if needed. Please let me know how this is going to be resolved as my 73 year old nan is talking of doing it herself this weekend.

Regards

Michaela

Hello Jim

In the last 18 months the cemetery has been allowed to become a wilderness again having been beautifully cared for and mown the previous year. What happened, it's so sad. If it wasn't for our gardeners mowing a path down to recent graves they would be inaccessible. This can't be the right level of care for a Parish Council. Looking forward to hearing from you

Kind wishes

**THANK YOU FOR YOUR PARTICIPATION IN
THE QUEEN'S PLATINUM JUBILEE BEACONS
& ASSOCIATED ACTIVITIES**

Dear Participant,

I would like to take this opportunity to thank you for the amazing part you played in celebrating the Queen's Platinum Jubilee on 2nd June, whether you were a Town Crier, Piper, Bugler/Cornet Player, Choir or a private or community Beacon Organiser, for without your involvement The Queen's Platinum Jubilee Beacons and its associated events would not have been the enormous success they were.

TOGETHER, as a worldwide team, we ensured this unique tribute to our unique Queen Elizabeth, showed the world that the United Kingdom, Channel Islands, Isle of Man, UK Overseas Territories and the Commonwealth, along with those who took part from other countries, came together as one, and undertook a celebration party "fit for a Queen," an occasion that will be fondly remembered by millions upon millions of people for many generations to come.

I don't mind admitting, when standing next to Her Majesty The Queen at Windsor Castle, London, as she lit her Principal Beacon at 9.45 GMT, a number of tears of joy filled my eyes knowing that you had all played the part you promised, making huge efforts to do so, and I am extremely proud of you all, so again, **THANK YOU**.

For those that have not already received their Certificate of Grateful Recognition for taking part via email, enabling you to download, print and frame it as a permanent reminder of your involvement in this unique Jubilee.

My warmest regards,
